2022 CPAA Conference May 2-4, 2022

Now What? What's Next?

Royal Hotel Edmonton Airport, 8450 Sparrow Drive, Leduc, AB

The Conference Committee has begun meeting to plan for the 2022 Annual Conference. We are pleased to announce that the Conference Theme for 2022 will be Now What? What's Next?

You can expect sessions at next year's conference to explore the current world we are within and responses to it from the lenses of community and economic development, technology advances, the current state of the economy, changing infrastructure needs, responsive retrofitting, policy needs and a deeper look into the hierarchy of planning documents and requirements of the planning process among many others.

We encourage Elected Officials, Planners, Development Officers, Economic Development Officers, and Administrators from across Alberta and beyond to attend and participate in the conference.

The Sponsorship Program will be released later this year. Sponsorship greatly assists CPAA in putting on our conference each year as well as funding student scholarships.

CPAA Membership - New Members are Welcome!

Group, Individual and Student member renewal invoices have been issued to current members. For Group memberships(250.00) the invoices are emailed to the person that has been identified as the contact person on the application form, or subsequent information received by the CPAA office. Cheques, e transfers and direct deposit payments are accepted.

We appreciate that the unexpected COVID-19 situation continues to impact everyone personally and professionally. CPAA asks for your continued support to provide a conference, in person in 2022, and operations required to maintain the Association.

If you have any questions regarding membership, please contact Hilary Janzen, CPAA Chair of Membership and Nominations at hjanzen@lethcounty.ca.

Contact Vicki Hackl, CPAA Secretary cpaa@cpaa.biz, with updates to your contact information.

Thank you!

COMMUNITY PLANNING ASSOCIATION OF ALBERTA
Our mission is to provide opportunities to share, promote and encourage
community planning among a full range of stakeholders.
