## **Announcing the 2023 CPAA Sponsorship Program**

The CPAA provides a forum for all stakeholders in planning and development – including elected officials, administrators, planners, academics and students, and private industry – to discuss community planning-related concepts, ideas, issues, and solutions.

The annual CPAA conference brings these diverse perspectives from across Alberta together.

We are seeking new and continued participation from municipalities and the private sector, to consider sponsorship, funding, or in-kind contributions. Conference sponsorship provides numerous benefits, including:

- Name recognition in front of ~200 elected officials, administrators, and private industry delegates from across Alberta.
- Networking, outreach, and employment opportunities.
- Showcasing your organization as a supporter of community planning and education in Alberta.
- Free or discounted events, including conference registrations, luncheons, banquets, booths, etc (depending on the sponsorship level).

All sponsorship funding received will be used to support conference activities and to support annual scholarships awarded by CPAA to post-secondary planning students.

Should you have any questions regarding sponsorship, please contact the Chair of the 2023 Conference Committee, Geoff Tiffin, 403-794-2311 [tiffing@newellmail.ca](mailto:tiffing@newellmail.ca)

Thank you in advance for your consideration. We look forward to your participation and support in 2023!
