2020 CPAA Annual Planning Conference

The CPAA Conference committee, with great regret has made the decision to cancel the 2020 CPAA Conference due to the escalating COVID-19 situation.

Delegates, sponsors and exhibitors have been notified and refunds have been issued to those who have paid and invoices have been cancelled for those whose payments have not yet been received.

CPAA values our sponsor's loyalty and would like to thank all of them for being our sponsors. Thank you for supporting CPAA as an educational, training opportunity. Without your contributions our conferences would not be possible. We will be grateful to have our sponsors support for next year's conference.

CPAA values our speaker's time and effort for agreeing to be a crucial part of our conference as a speaker. Without our exceptional speakers, our conference is not possible. The expertise you provide to our members and community is vital to the growth and future of our province. We will be grateful to have you speak at next year's conference.

While details will not be announced for several months for the next conference, CPAA commits to delivering the depth of knowledge and subject matter next year as we return to Red Deer, Alberta to deliver the 2021 CPAA Conference.

Thank you for your support during this difficult time. CPAA wishes you, your families and colleagues – safety, health and the very best in the coming weeks and months.

We look forward to seeing you in 2021.

Sincerely,

Tom Burton
Chair
Community Planning Association of Alberta
