CPAA 2022-2023 Board of Directors

The CPAA Board held our annual Strategic Retreat in Grande Prairie on June 17 and 18. We are very proud of the work, progress and goals the Directors put forward and commitment for 2022-2023. The Board approved our 2022/2023 Strategic Plan and began planning our 2023 Conference. Expect to receive timely communications, conference and award updates throughout the year.

We are working on establishing an online donation page for student scholarships.

Stay tuned, and please reach out to any member of the board with your ideas, suggestions and comment to better deliver services to you.

Community Project Award Winner

Lorne Hickey, Councillor, Lethbridge County

CPAA provides a community project with a donation, instead of giving token gifts to our speakers. Our speakers are informed and are completely supportive of this idea

of working towards “complete communities”. Lorne’s project, “McNalley Community Association” was drawn as the project for 2022 to receive the funds.

Congratulations Lorne and McNalley Community Association!
